

## LETTER OF RECOMENDATION

Date:12/06/2014

To whom it may concern.

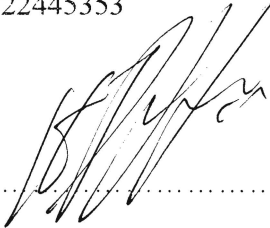

I am willing to strongly recommend Kaylana Ltd for their transportation, van and truck, delivery and assembly services.

Kaylana Ltd has been our close partner since 2011. During this period they have been our partners in transporting our products from our warehouse to our showroom, delivering, and assembling when necessary, the products to our customers as well as rearranging our showroom and warehouse when needed.

The team has excellent customer service ethics and is highly motivated. They can handle all kind of demanding tasks related to their field always getting the job done flawlessly and with the out-most satisfaction from our customers side.

We never hesitate to trust our products and company image to the skilled team of Kaylana Ltd however challenging each transportation/delivery might be.
